

SPONSORSHIP Opportunities

ABOUT US

Provide hands-on experiences and classroom trainings designed to address emerging security threats that may occur in school buildings, on district property or at other locations where students and staff may be present.

District personnel, security staff and law enforcement officials learn de-escalation tactics in PennSSI's state-of-the-art multiroom simulator and 360-degree augmented reality.

Focused on prevention, guided by preparation.

WHY SPONSOR US?

Your sponsorship connects you directly with safety and security personnel and the decision-makers within Pennsylvania's public schools. In addition, your support contributes to fostering safe and secure school communities.
